MEMORANDUM FOR: Chief, Logistics Office

SUBJECT : Reporting of Government-Owned Property
to Government Services Administration

Colonel White has approved the recommendations contained in the attached memorandum on the above matter. He requested me to advise that in discussion with General Services Administration, no mention should be made as to where the properties listed [REDACTED] are or what they are for. He suggests, on these properties, that GSA should be advised we have certain other minor holdings which, for security reasons, cannot be listed.
